## H. SAMPLE TEXT

Look, my liege! Well, we did do the nose. Well, I didn't vote for you. Bring her forward! Who's that then? How do you know she is a witch? Now, look here, my good man. Why? Why do you think that she is a witch? Why do you think that she is a witch? Burn her anyway! I dunno. Must be a king. But you are dressed as one... Who's that then? Oh, ow! Burn her! Look, my liege! I don't want to talk to you no more, you empty-headed animal food trough water! I fart in your general direction! Your mother was a hamster and your father smelt of elderberries! Now leave before I am forced to taunt you a second time!

Oh, ow! Well, what do you want? Look, my liege! Burn her! Listen. Strange women lying in

ponds distributing swords is no basis for a system of government. Supreme executive power derives from a mandate from the masses, not from some farcical aquatic ceremony. No, no, no! Yes, yes. A bit. But she's got a wart. Knights of Ni, we are but simple travelers who seek the enchanter who lives beyond these woods. Found them? In Mercia?! The coconut's tropical! Well, what do you want? Bloody Peasant! We found them. Found them? In Mercia?! The coconut's tropical! How do you know she is a witch?

Burn her anyway! Bloody Peasant!

He hasn't got shit all over him. You can't expect to wield supreme power just 'cause some watery tart threw a sword at you! Knights of Ni, we are but simple travelers who seek the enchanter who lives beyond these woods. Bloody Peasant! Bloody Peasant! Well, we did do the nose. Shut up! Will you shut up?!

Be quiet! Now, look here, my good man. Shut up! Will you shut up?! Well, how'd you become king, then?

Burn her! Shut up! A newt? Burn her anyway! You don't vote for kings.

Well, what do you want? Why do you think that she is a witch?

Well, we did do the nose.

I don't want to talk to you no more, you empty-headed animal food trough water! I fart in your general direction! Your mother was a hamster and your father smelt of elderberries! Now leave before I am forced to taunt you a second time! I'm not a witch. It's only a model. Oh! Come and see the violence inherent in the system! Help, help, I'm being repressed! Shut up! Will you shut up?!

And the hat. She's a witch!

I dunno. Must be a king. Who's that then? Well, we did do the nose. Well, what do you want? Well, we did do the nose. He hasn't got shit all over him. Well, how'd you become king, then? Knights of Ni, we are but simple travelers who seek the enchanter who lives beyond these woods. And this isn't my nose. This is a false one. It's only a model. Bloody Peasant! I dunno. Must be a king.

The Knights Who Say Ni demand a sacrifice! Knights of Ni, we are but simple travelers who seek the enchanter who lives beyond these woods. On second thoughts, let's not go there. It is a silly place. Be quiet! Found them? In Mercia?! The coconut's tropical! Shh! Knights, I bid you welcome to your new home. Let us ride to Camelot! The Lady of the Lake, her arm clad in the purest shimmering samite, held aloft Excalibur from the bosom of the water, signifying by divine providence that I, Arthur, was to carry Excalibur. That is why I am your king.
